

Name:Furniture Rubber Buffer

Material:EPDM,NBR,CR,NR,IIR,etc

Hardness:55 shore A. Custom hardness is available,range from 30 shore A to 85 shore A.

Color: Black

Size:

12*10*6,12*8*9,14*10*7,16*12*10,18*15*5,18*13*9,21*16*10,25*20*21,26*20*12,31*25*16,38*30*27,39*39*18,47*27*19,47*33*27,40*33*35,50*33*30,etc. If you need custom size, feel free to contact us.

Temperature resistance: based on type of rubber,we can choose for you as per your needs.

Advantage: 1.Excellent performance in weather resistance. 2. Perfect result in shock absorption.

Function:damping/shock absorption

Application fields: Furniture,construction industry,electrical equipment,vibration machinery industry, etc.
